DILLON (January 24, 2005) – The Dillon Field Office of the Bureau of Land Management invites any interested public to an informational meeting concerning the proposed right-of-way near Wisconsin Creek approximately 4.5 miles northeast of Sheridan. The meeting is scheduled for Wednesday, February 2, 7 pm in Sheridan at the Bethany Hall adjacent to the Methodist Church, 213 S. Main Street.

A private individual submitted a right-of-way application to BLM for a proposal to construct a single lane, unsurfaced road across approximately 1100 feet of BLM to access private land in the Booth Creek drainage. The purpose of the meeting will be to explain the proposal in more detail and provide an opportunity for the public to offer comments and concerns.

For more information about the proposal or the meeting, contact Jeff Daugherty at the Dillon Field Office, 683-8038.
